

DENARIUS METALS

Denarius Metals is a Canadian junior mining company engaged in the acquisition, exploration, development and eventual operation of high-grade polymetallic projects in Spain and Colombia

Emerging Multi-Asset Producer Positioned for Growth

Now in Production at Zancudo; Aguablanca expected to be in Production within Next 12 Months

Aguablanca Project

Extremadura, Spain
21% Owned; Project Operator
Ni, Cu, Co, Pt, Pd, Au

We have initiated activities to restart mining operations.

Historic producer with turnkey 5,000 tonnes per day processing plant & permitted underground mine.

Recognized as a "Strategic Project" by the European Commission.

One of the only deposits in Spain able to produce nickel and copper; offtake contract with Boliden.

PFS outlines reserves for a 6-year mining operation with production starting in next 12 months; deposit remains open for further expansion.

Lomero Project

Iberian Pyrite Belt, Spain
100% Owned
Cu, Zn, Pb, Au, Ag

Located in the Iberian Pyrite Belt, a world class mining district and home to the largest concentration of massive sulfides in the world.

A rich history of exploration and production to substantiate potential future exploitation.

PEA in process for underground mining operation leveraging plant capacity nearby at Aguablanca Project.

4 Projects

in Historic, Prolific, and
Proactive Mining
Jurisdictions

Zancudo Project

Titiribi, Colombia
100% Owned
Au, Ag

Early production phase commenced in April 2025; first delivery of high-grade ore to Trafigra was completed in June 2025.

Fully funded to complete construction, including a new 1,000 tpd processing plant to be operational in H1-2026.

Long-term offtake agreement with Trafigra for high-grade Au-Ag concentrates.

Deposit remains open for further expansion; drilled 7,225 meters in 2024; updated mineral resource and PEA in process.

Toral Project

Leon Province, Spain
100% Owned
Zn, Pb, Ag

A unique opportunity to develop a high-quality base metals project.

Denarius completed acquisition of 100% of project in late 2024.

~US\$3 million invested through exploration program over last three years; resource update and scoping study planned for H1-2026.

A Proven Team of Successful Mine Builders

Serafino Iacono, Executive Chairman

Sasha Villosa, Corporate ESG Manager

Catalysts to Invest

Near-Term Production

Zancudo has commenced mining; Aguablanca expected to start operations in the next 12 Months

In-Demand Critical Minerals

Cu, Zn, Pb, Ni, Au, Ag, Co, Pt, Pd

Favorable Proximity

The Right Jurisdictions; Proximal to Nearby Producers

High-Grade Projects

Rich History; Exploration Upside

Seasoned Team

A Proven Track Record of Success

Long-Term ESG Strategies

Community, Health & Safety, Environment

Poised for Re-Rating

Well Positioned; Key Offtake Contracts in Place

Capital Structure

Cboe CA: DMET | OTCQX: DNRSF

Issued & outstanding – 124M shares
Fully Diluted – 292M shares

Market Capitalization (September 19, 2025) - CA\$71M
Largest shareholder – Serafino Iacono – 18%

Denarius Metals is committed to working collaboratively with its **local communities.**

The board and management team have a long history of positively impacting areas of operations through tailored **Environmental, Social, and Governance (ESG) initiatives.**
